KISTI Grid CA Updates

- KISTI Grid CA was audited at PRAGMA16.
 - ▶ Auditor: Yoshio Tanaka (visited KISTI)
 - ▶ Date of audit: 23rd March, 2009
 - ▶ Audit methods
 - Document inspection (CP/CPS document, web pages)
 - Equipment inspection (CA room, issuing machine, hardware security)
 - Process inspection (RA's subscriber verification, CA's certificate issuing process, management of the hardware, etc..)
 - ▶ Audit results: (some problems)
 - Automatic e-mail sending from the web server was not working.
 - event log archiving and backup of web server and issuing machine is not perfect.

Thank You
